

Current COCG-Channel 5 Programming – Spring 2010

Ablevision -- Feature stories and content written and produced by people with disabilities.

American Democracy Television (ADTV) -- Nonpartisan programming dedicated to representative democracy and citizen participation in government; produced by the Alliance for Representative Democracy.

Ask Your Doctor -- A live, call-in medical program produced locally by Ron Duff Video Productions and hosted by Dr. Zenon Duda.

Beyond Today -- This weekly newscast offers a unique religious perspective on current events. It is a national program submitted locally.

Cape Chronicle -- Semi-annual news program that covers city government produced by Southeast Missouri State University students and faculty.

Cape Girardeau City Council -- Open and transparent, the Council conducts business live during their regular meeting on the first and third Mondays at 7 p.m. Replays are not live. Council meetings are available 24 hours a day on the city website.

Cape Update -- A community bulletin slideshow accompanied by Southeast Public Radio/NPR. Approximately 100 slides repeat every 15 minutes.

Centenary United Methodist Church -- Sunday service updated on Tuesdays.

Eckankar -- Broadcasting clips of Sri Harold Klemp's seminars. Eckankar is the Religion of the Light and Sound of God.

Hooked on Science -- Locally-produced science programming and experiments for children.

Independently Speaking -- A monthly, 30-minute news program that covers disability independence issues in our area produced by Southeast Missouri State University students and faculty.

Link TV & Link TV: Explore -- A national program that spotlights and explores a variety of world locations, cultures, music and issues.

Living Hope -- Live programming produced by Ron Duff Video Productions in conjunction with Trinity Lutheran Church.

Missouri Outdoors -- A variety of programming that covers statewide outdoor activities and issues provided by the Missouri Conservation Department.

National Gallery of Art -- Educational programming about national gallery exhibits and artists.

Perils for Pedestrians -- A monthly television program dedicated to safety issues affecting those who walk or bicycle.

Public Forum -- A monthly, 30-minute news program on local topics produced by Southeast Missouri State University students and faculty.

River Tales -- A monthly, 30-minute feature produced by Southeast Missouri State University students and faculty that explores our region's most interesting people and places.

Small Town Boyz – Special 30-minute programming produced and submitted by local rock band.

Vintage Vehicle -- A national program that covers hobby cars, hot rods and classics.
