CITY OF CAPE GIRARDEAU
STORMWATER MANAGEMENT PERMIT/APPLICATION
INFORMATION SHEET

Cape Girardeau, Mo. Stormwater Management Regulations (Ordinance No. 253, dated Aug. 15, 2011) require that positive stormwater run-off and erosion control measures must be taken during construction of any stormwater management facility.

Any stormwater management facility for which a permit has been issued as a part of a subdivision improvement plan must be included with as-built drawings and certified to have been constructed accordingly.

Any stormwater management facility for which a permit has been issued individually or as a part of a site development plan must be certified to have been constructed in conformance with the approved drawings prior to issuance of an occupancy permit.

If located in a designated floodplain, a Floodplain Development Permit is required before any work begins.

A DNR Land Disturbance Permit is required for construction sites of one (1) acre or more in area.

Provide a stormwater pollution prevention plan, in accordance with Chapter 23 of the City of Cape Girardeau Code of Ordinances.
