SEWER WYE CONNECTION APPLICATION FORM  
INFORMATION SHEET**

Check Fee Schedule for application fees.

If a wye is available:

- Obtain Plumbing Permit
- Plumber makes the connection and calls for code inspection.
- If inspection passes, then backfilling is permitted.

If a wye is not available:

- Written request is submitted to cut the City main and establish a new wye connection.
- Applicant must list justification, new location measurement from manhole, plumber's name and owner's name and address.
- The permit will then be issued, denied or modified.
- If a permit is issued, contact Engineering with the Community Development Department for a pre-backfill wye installation inspection: (573) 339-6327.
