

Few things are so important, but we rarely think of it, like water. Estimates vary but we each use 80-100 gallons per day to cook, clean, bathe, or drink and many of the services and products we use depend on water.

Resilient Water System Critical Infrastructure

Continued investment keeps
our water safe, healthy, and
reliable 24/7.

\$18 million

Capital Improvements Sales Tax Renewal - Water System Improvement Projects

- 1) Needed improvements in area around Southeast Missouri State University
