The undersigned requests the City of Cape Girardeau transfer utility service to the Business/Owner for rental units operated by the Business/Owner when a tenant cancels service and/or moves out of a licensed rental unit operated by the Business/Owner. The City will not notify the Business/Owner when the utilities are automatically put in the Business/Owner's name. The Business/Owner is responsible for all utility billing from the date the service is placed into the Business/Owner's name through the date the City is notified to turn off the utilities OR a new tenant requests utilities be placed in his/her name.

If the service of the Business/Owner's tenant is disconnected for nonpayment, the utilities will not be reconnected until the tenant pays the amount due OR the Business/Owner notifies the City to reconnect the services and place the utility account in the Business/Owner's name.

Businesses/Owners that have a valid Landlord License will be approved to participate in the Landlord Utility Leave On Program. If a Business/Owner becomes delinquent on a specific utility account, the account for that address will be restricted from being transferred into another tenant's name until the Business/Owner's utility account for that address is paid in full. If a Business/Owner becomes delinquent in renewing its Landlord License, that Business/Owner will be removed from the Landlord Utility Leave On Program until the Landlord License is reinstated.

Submittal of this application does not imply that Business/Owner will be approved to participate in the Landlord Utility Leave On Program. Once approved, this Utility Leave-On application will remain in effect until rescinded by the Owner/Business and/or the Business/Owner does not comply with the regulations of the Leave-On Program.
