CITY OF CAPE GIRARDEAU
STORMWATER MANAGEMENT PERMIT/APPLICATION
INFORMATION SHEET

Please read this information sheet in its entirety.

Submit the following items to the Development Services Department for review:

1. Completed Stormwater Management Permit Application
2. Stormwater plans, including erosion and sediment control
3. Stormwater pollution prevention plan (SWPPP)
4. Stormwater calculations
5. Floodplain permit application, if applicable.
6. A copy of the DNR Land Disturbance permit if construction site is 1 acre or more.

Cape Girardeau, Mo. Stormwater Management Regulations (Ordinance No. 253, dated Aug. 15, 2011) require that positive stormwater run-off and erosion control measures must be taken during construction of any stormwater management facility.

Any stormwater management facility for which a permit has been issued as a part of a subdivision improvement plan must be included with as-built drawings and certified to have been constructed accordingly.

Any stormwater management facility for which a permit has been issued individually or as a part of a site development plan must be certified to have been constructed in conformance with the approved drawings prior to issuance of an occupancy permit.
