

PRIVATE SWIM LESSONS

These 1-on-1 sessions allow for swimmers ages 4 and up, of all skill levels, to progress at their own pace and have the focused instruction of their instructor. These are great options for children who thrive better from 1-on-1 attention, teenagers who need to prepare for lifeguard training prerequisite skills, and adults who want to improve their strokes. Lessons will take place at both Jefferson Community Center and Cape Aquatic Center.

One Lesson:

\$25 per person

Four Lessons:

\$23 per person per lesson (\$92 total)
