

Here's an opportunity to commemorate a special person or occasion while helping beautify the community at the same time. A commemorative tree can be given in memory or in honor of special people, groups, or occasions. For example:

Commemorative trees are planted in various parks managed by the Cape Girardeau Parks and Recreation Department.

To arrange for the planting of a commemorative tree, simply fill out the enrollment form in this brochure, return it to the Cape Girardeau Parks and Recreation Department, indicate the name of the person or group or occasion to be commemorated by your gift and the type of tree you wish planted.

Please make your check payable to the Cape Girardeau Parks Development Foundation Commemorative Tree Program.

The fee of \$300 will be used to purchase and plant a specified tree with an appropriately inscribed memorial stone (the faces of which are approximately 8 x 12 inches) which will be placed in the ground at the foot of the commemorative tree. Each stone will list the person, group or occasion that is being honored and the tree's common name.

You may request a specific park where your commemorative tree is to be planted. The Cape Girardeau Parks and Recreation Department reserves the right to approve tree selections and site locations. Trees will be planted from October 1st through May 31st.

You will be notified once the tree is planted, the stone is set and everything is complete.

A list of trees recommended for use in Cape Girardeau city parks include:
