

REMLEY EQUESTRIAN CENTER

Beginner Horsemanship Program

Do you have a horse crazy kid or are you an adult who would love an opportunity to learn about horsemanship and gain riding skills? The Remley Equestrian Center will be offering several sessions this fall that will provide an introduction to the fundamentals of riding, caring for horses and basic equestrian knowledge that any person can gain confidence in and out of the saddle! The Center's horses are gentle and well trained with instruction being provided by Angie Frese, Head Trainer and Barn Manager. English tack will be used; however, participants will learn about all riding disciplines and tack. There is limited space (five riders per session) so please sign up early.
