

# ARENA PARK

**NEW PLAYGROUND & SHELTER**

**RESTROOM DEMOLITION**

**FARM THEMED PLAYGROUND**

## ABOUT THE PROJECT

The Arena Park construction projects are nearing completion! As part of the Parks and Recreation Stormwater tax, Arena Park received several new playgrounds, shelters and restrooms. These structures replaced older ones to provide a better park experience for users.

In addition to user friendly park amenities, the 4-H Exhibit Hall, located adjacent to the A. C. Brase Arena, is getting a designated parking lot. This project is currently underway and is expected to be completed by early fall.

## PROJECT IMPACTS & BENEFITS

- Additional play opportunities for community youth
- Improved outdoor rental space for the public
- Two new restrooms for park goers
- Increased park safety with the construction of a designated parking surface for 4-H Exhibit Hall users
