

ARENA PARK SPORTS COMPLEX

T-BALL QUAD

MAINTENANCE BUILDING

NEW FENCING

ABOUT THE PROJECT

The project was identified to make much needed improvements to the Department's largest youth sports facility at that time, and now includes 15 softball/baseball fields. In 2009, a new ballfield maintenance building was constructed, and new fencing, lighting, and scoreboards were installed on fields 4, 5, 6, 7, 9, and 10. In 2011, a t-ball quad of four additional fields was constructed on the west end of the Complex to add fields for a booming youth sports program.

PROJECT IMPACTS & BENEFITS

- Improved field conditions for over 500 baseball players and 300 softball player & football players
- Increased safety with field lighting
- Expanded playing areas with new fields
- Improved field maintenance capabilities
