

GENERAL DEPARTMENT PROJECTS

FLEET

CEMETERY OFFICE

ADDITIONAL PROGRAMMING

ABOUT THE PROJECT

Other Parks & Recreation Stormwater projects included a new Cemetery Office and maintenance shed. Washington/Missouri Park had conceptual plans created for future improvements, while engineering and architecture plans were drawn for a master plan for other parks and projects. The department's fleet was also increased.

Additionally, three new positions including a Recreation Coordinator, Cape Splash Maintenance Worker, and Shawnee Park Center Manager were funded by the tax.

PROJECT IMPACTS & BENEFITS

- New positions enhanced programming at the Shawnee Park Center
- Cape Splash maintenance position allows constant upkeep of a heavily utilized aquatic facility
- Additional fleet allows staff to be cost efficient and timely in repairs, and impacts safety and longevity of existing vehicles and equipment
