

TRAIL CREEK

BANK PROJECTS

The trail projects will provide stabilization of the creek banks at each location. Smaller in scale, these preventative maintenance projects include the trail at Walden Park, with additional improvements at Lexington and Lynwood Hills.

LA CROIX TRAIL CREEK BANK PROJECTS

THREE PROJECTS

Three projects that are smaller in scale and are "preventative maintenance" type projects include:

- Bank Stabilization along the La Croix Trail near Walden Park (\$120,000)
- Improvements along the La Croix Trail at Lexington (\$30,000)
- Improvements along the La Croix Trail at Lynwood Hills (\$10,000)
