

SHAWNEE PARK SPORTS COMPLEX

THREE NEW BASEBALL FIELDS

PAVED PARKING

**TWO CONCESSION
FACILITIES**

FIELD IMPROVEMENTS

ABOUT THE PROJECT

The Shawnee Park Sports Complex saw several renovations and additions to both the soccer and softball complexes. The Soccer Complex parking lot on Minnesota was enlarged, overlaid, and striped, while the parking lot on West End Blvd. was paved. A new concession stand and playground was installed for the soccer fields, while a new concession building was constructed near three new softball fields. New lighting was installed for the new softball fields, and two soccer/football fields were added to the Complex. Additionally, several soccer and football fields were irrigated, and the complex maintenance building was renovated.

PROJECT IMPACTS & BENEFITS

- Additional field space for tournaments and leagues
- Infield and irrigation improvements to make fields more playable in poor weather
- Tourism draw for community
- Improved field conditions for football, softball, soccer, and baseball
- Enhanced concession operations for soccer and baseball
