**IV. NEW BUSINESS**

**A. Discussion and Vote for Business Recognition Properties for August 2015**

Photos of the potential August 2015 Yard Recognition from our local businesses were distributed to the members. The August Recognition will be presented to Culvers Restaurant on August 3rd at the City Council Study Session.

**V. OLD BUSINESS**

**A. Individual Goals for Committee Members**

Julia would like to see the committee set some goals as a committee and individually for KCB to create more Public awareness. Councilwoman Schneider brought up an idea to add another award or recognition for cleanliness; however, the committee felt that it was more a duplication of our Beautification award and settle on the following focal points:

- Education – See if Kim Klaus – Public Works could help
- Beautification - Loretta

- Recycling - Kasie
- De-Littering – Becky, Brian

**B. Completed Annual Litter Index Report**

Julia filed the report electronically.

**VI. CITY COUNCIL LIAISON**

**VII. OTHER BUSINESS**

The committee members were interested in increasing the public awareness on litter through public announcements. Committee is interested in checking into possibility of some type of litter message or educational information being printed on utility billing.

Julia suggested that each committee member needs to send items for blogs to her or Sharon. We can forward these on to the Public Information office. The Public information office can distribute these blogs on Facebook.

There being no further business, Pat Dahl made a motion to adjourn with Kasie Essner's second. Motion passed.

Respectfully submitted,

Sharon Bergman  
Administrative Secretary
