

# Private Swim Lessons

At Central Municipal Pool

*Swimming lessons teach people of all ages self-confidence, encourage physical fitness and reduce the risk of drowning.*

*Whether you or your child wants to get better, faster performance in the water, get prepared for lifeguard training, or simply want to progress to the next level in swimming fundamentals, our instructors can help achieve that goal.*

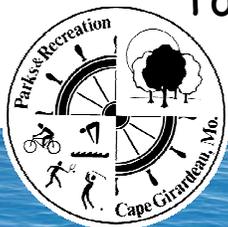

*Students receive either three 45 minute sessions for \$45, or four 30 minute lessons for \$50.*

*Lessons are arranged based on the availability of the instructor, student, and the facility.*

**Not sure you want to commit?  
Do a 45 minute trial lesson for \$15.**
