MAYOR of CAPE GIRARDEAU

Harry E. Rediger

CHIEF OF POLICE

Wes Blair

CAPE GIRARDEAU POLICE DEPARTMENT

Cape Girardeau, Missouri

LETTER FROM THE CHIEF

As Cape Girardeau's new police chief, it is with pleasure I present the Cape Girardeau Police Department's 2013 Annual Report. In my short tenure with the Department, I have found myself constantly amazed and impressed with the caliber and high level of professionalism displayed by the employees of the Cape Girardeau Police Department. I'm honored to work among so many dedicated people who truly believe in service to their community.

The purpose of this report is to provide a snapshot of information and statistics affecting our city and the Police Department including crime, traffic, staffing, budget, and what's new in our Department. Multi-year statistics are provided in many categories to show where we've been and where we are now.

Although 2013 saw a few areas with a slight rise in crime, our overall Part I crime statistics trended downward from the previous year. To address this, we have started several initiatives to target high crime areas during time periods that our analysis indicate are most commonly prone to experience crime.

The year 2013 has been a year of transition and innovation for the Department, most notably in the approval of implementing an electronic ticketing system. This system, which will be fully in service in 2014, allows officers to efficiently and quickly issue and process citations, allowing them to get back to patrolling our community in less time than a paper system.

As we close the books on 2013, we, the members of YOUR Cape Girardeau Police Department, want to thank the community for their dedicated support of our operations. We look forward to another year of dedicated service to OUR community and citizens.

-Chief Wes Blair

CRIMINAL INVESTIGATIONS

Division Supervisor:
Lt. Mark E. Majoros

Major Case Squad

Several employees of the Cape Girardeau Police Department serve on the Cape Girardeau/Bollinger County Major Case Squad (MCS) in addition to their positions within the Department. The MCS was initiated in the late 1970's when Cape Girardeau County was plagued with a series of murders. Since 1983, the MCS, made up of officers and detectives from seven law enforcement agencies has solved 41 of 44 cases (93% clearance rate).

2013 Major Case Squad Activation

The MCS was activated February 7, 2013 for the double homicide of Shannon D. James and Misty D. Cole at 401 S. Pacific in Cape Girardeau. The MCS disbanded after being activated for two days. Kenneth D. Bell Jr., 22, of Cape Girardeau, was charged with two counts of first-degree murder and one count of armed criminal action. Bell is currently incarcerated, awaiting trial.

This was the first activation of the Squad since the homicide of Jeffrey Robins in rural Bollinger County (case is still ongoing) and the deadly shooting of Nicholas Gilbert in Cape Girardeau. Malcolm Harris was charged with second-degree murder and armed criminal action in Gilbert's murder, however charges were dismissed on May 1, 2013.

Jacque Waller Update: One of the most high-profile cases in Cape Girardeau County came to an end on June 6, 2013 when Clay Waller accepted a plea deal to second-degree murder in exchange for leading police to his wife's remains and confessing to her murder. Investigators found Jacque's body on May 29, 2013 in Alexander County, Illinois and Clay Waller was sentenced to 20 years in the Missouri Department of Corrections.

SPECIAL OPERATIONS

Division Supervisor:
Lt. Rick C. Price

Community Policing

Community policing initiatives have been developed nationwide by local governments in an effort to help improve the quality of life. Community policing is a philosophy in which the community and local law enforcement collectively decide what local/neighborhood problems are and what resources can be used to address them.

Two officers serve as Community Service Officers. These officers interact with the community in helping it recognize and eliminate sources of crime. They work primarily with neighborhood residents and groups serving as a link between them, the Police Department, service agencies, and local government.

School Resource/DARE

The purpose of the School Resource Program is to assign specifically trained officers to the schools to provide a forum through which students, parents, faculty, and law enforcement officers can become better acquainted and, as a result, continue mutual respect for one another. The SRO's are involved in such activities as conducting classroom presentations, coordinating group discussions with students in areas of mutual concern, patrolling school premises and surrounding areas to reduce loitering and prevent criminal activities as well as stimulate student involvement in crime prevention programs.

Airport Security

Since May of 2002, the Cape Girardeau Police Department has been in contract with the Transportation Security Administration (TSA) to provide security at the Cape Girardeau Regional Airport. Officers are assigned to provide security for screening passengers and luggage.

SPECIAL OPERATIONS

Division Supervisor:
Lt. Rick C. Price

Nuisance Abatement

There are currently three full-time Nuisance Abatement Officers and a part-time Nuisance Abatement Officer that serve in this Unit. They are responsible for animal control issues, litter, disabled vehicles, quality of life issues, and other health and nuisance abatement issues.
