Anonymous Phone Line

Today the Cape Girardeau Police Department announced a new way for the public to give information to the police department. Citizens often want to give information to the police department but do not wish to give their name or phone number, wanting to remain anonymous. The Cape Girardeau Police Department now has a phone number, 573-339-6313, that will allow people to call without having to worry about caller ID giving the police their information. This phone number will ring at the police station but will always show as coming from a "Private Caller." The police department hopes that this will alleviate people's fears of calling and being identified by caller ID. This is another method that we hope will encourage the public to provide information to the police.

Citizens can always email information or questions to the police department via email at: police@cityofcapegirardeau.org
