Coffee with Cops

On Wednesday August 20th, 2014 the Cape Girardeau Police Department will be hosting its first Coffee with Cops event at Mobile (Bi-State) Convenience Store at 920 N. Kingshighway from 8:00am to 9:00am. This will be the first of several events that are planned over the next several months. Police officers will be there to buy you a cup of coffee, answer questions, listen to concerns and get to know our community partners. This will be an informal setting for members of the community to come by and get to know police officers in their community. The Police Department encourages everyone to be involved in their community and work together with neighbors and law enforcement officers to make a safer community for residents and visitors.

We hope that the public will come out and have a cup of coffee on us! See you there.
