Ptlm. Darin Hickey (x1263)

Cape Girardeau Police investigating overnight shooting

On Friday May 7, 2013 around 2:40 am officers were dispatched to an address in the 1400 block of Kingsway. While officers were in route to the area, an officer observed a vehicle driving in a careless manner near the intersection of Clark St. and Themis St. The officer made contact with two subjects inside the vehicle. The passenger had a gun shot wound to the chest. Through our investigation, it was determined that subject had been at the residence on Kingsway. Officers continued to the residence where several subjects were located. We believe that all parties involved in the incident have been identified. The subject with the gunshot wound is being treated at a local hospital and is in critical condition.
