NEWS RELEASE

FOR IMMEDIATE RELEASE

DATE: Thursday, April 20, 2015

Over the past two years the Major Case Squad has been working on purchasing a custom trailer for use by all Major Case Squad agencies. Recently their efforts have produced a Mobile Evidence Trailer. This trailer can be taken to crime scenes and used for all evidence collection and processing. All the tools and equipment necessary to process a variety of crime scenes will be available in the trailer. The trailer may also be used to transport ATV's or other equipment that may be needed at more rural locations.

The trailer is a 20-foot enclosed unit that has air-conditioning and can run off direct power or be fully powered by a generator. The trailer was purchased through funds provided by CLERF (County Law Enforcement Restitution Fund) and cost, including all evidence equipment, approximately \$49,000. Thank you to CLERF for providing the needed money for this trailer which will be a great benefit to all Major Case Squad agencies.
